

SUMMARY REPORT

**REMOTE ELECTRONIC ACCESS OF
HYDROMETEOROLOGIC AND WATER QUALITY DATA
AND INTERNAL AND EXTERNAL REQUESTS**

by

Angela Chong

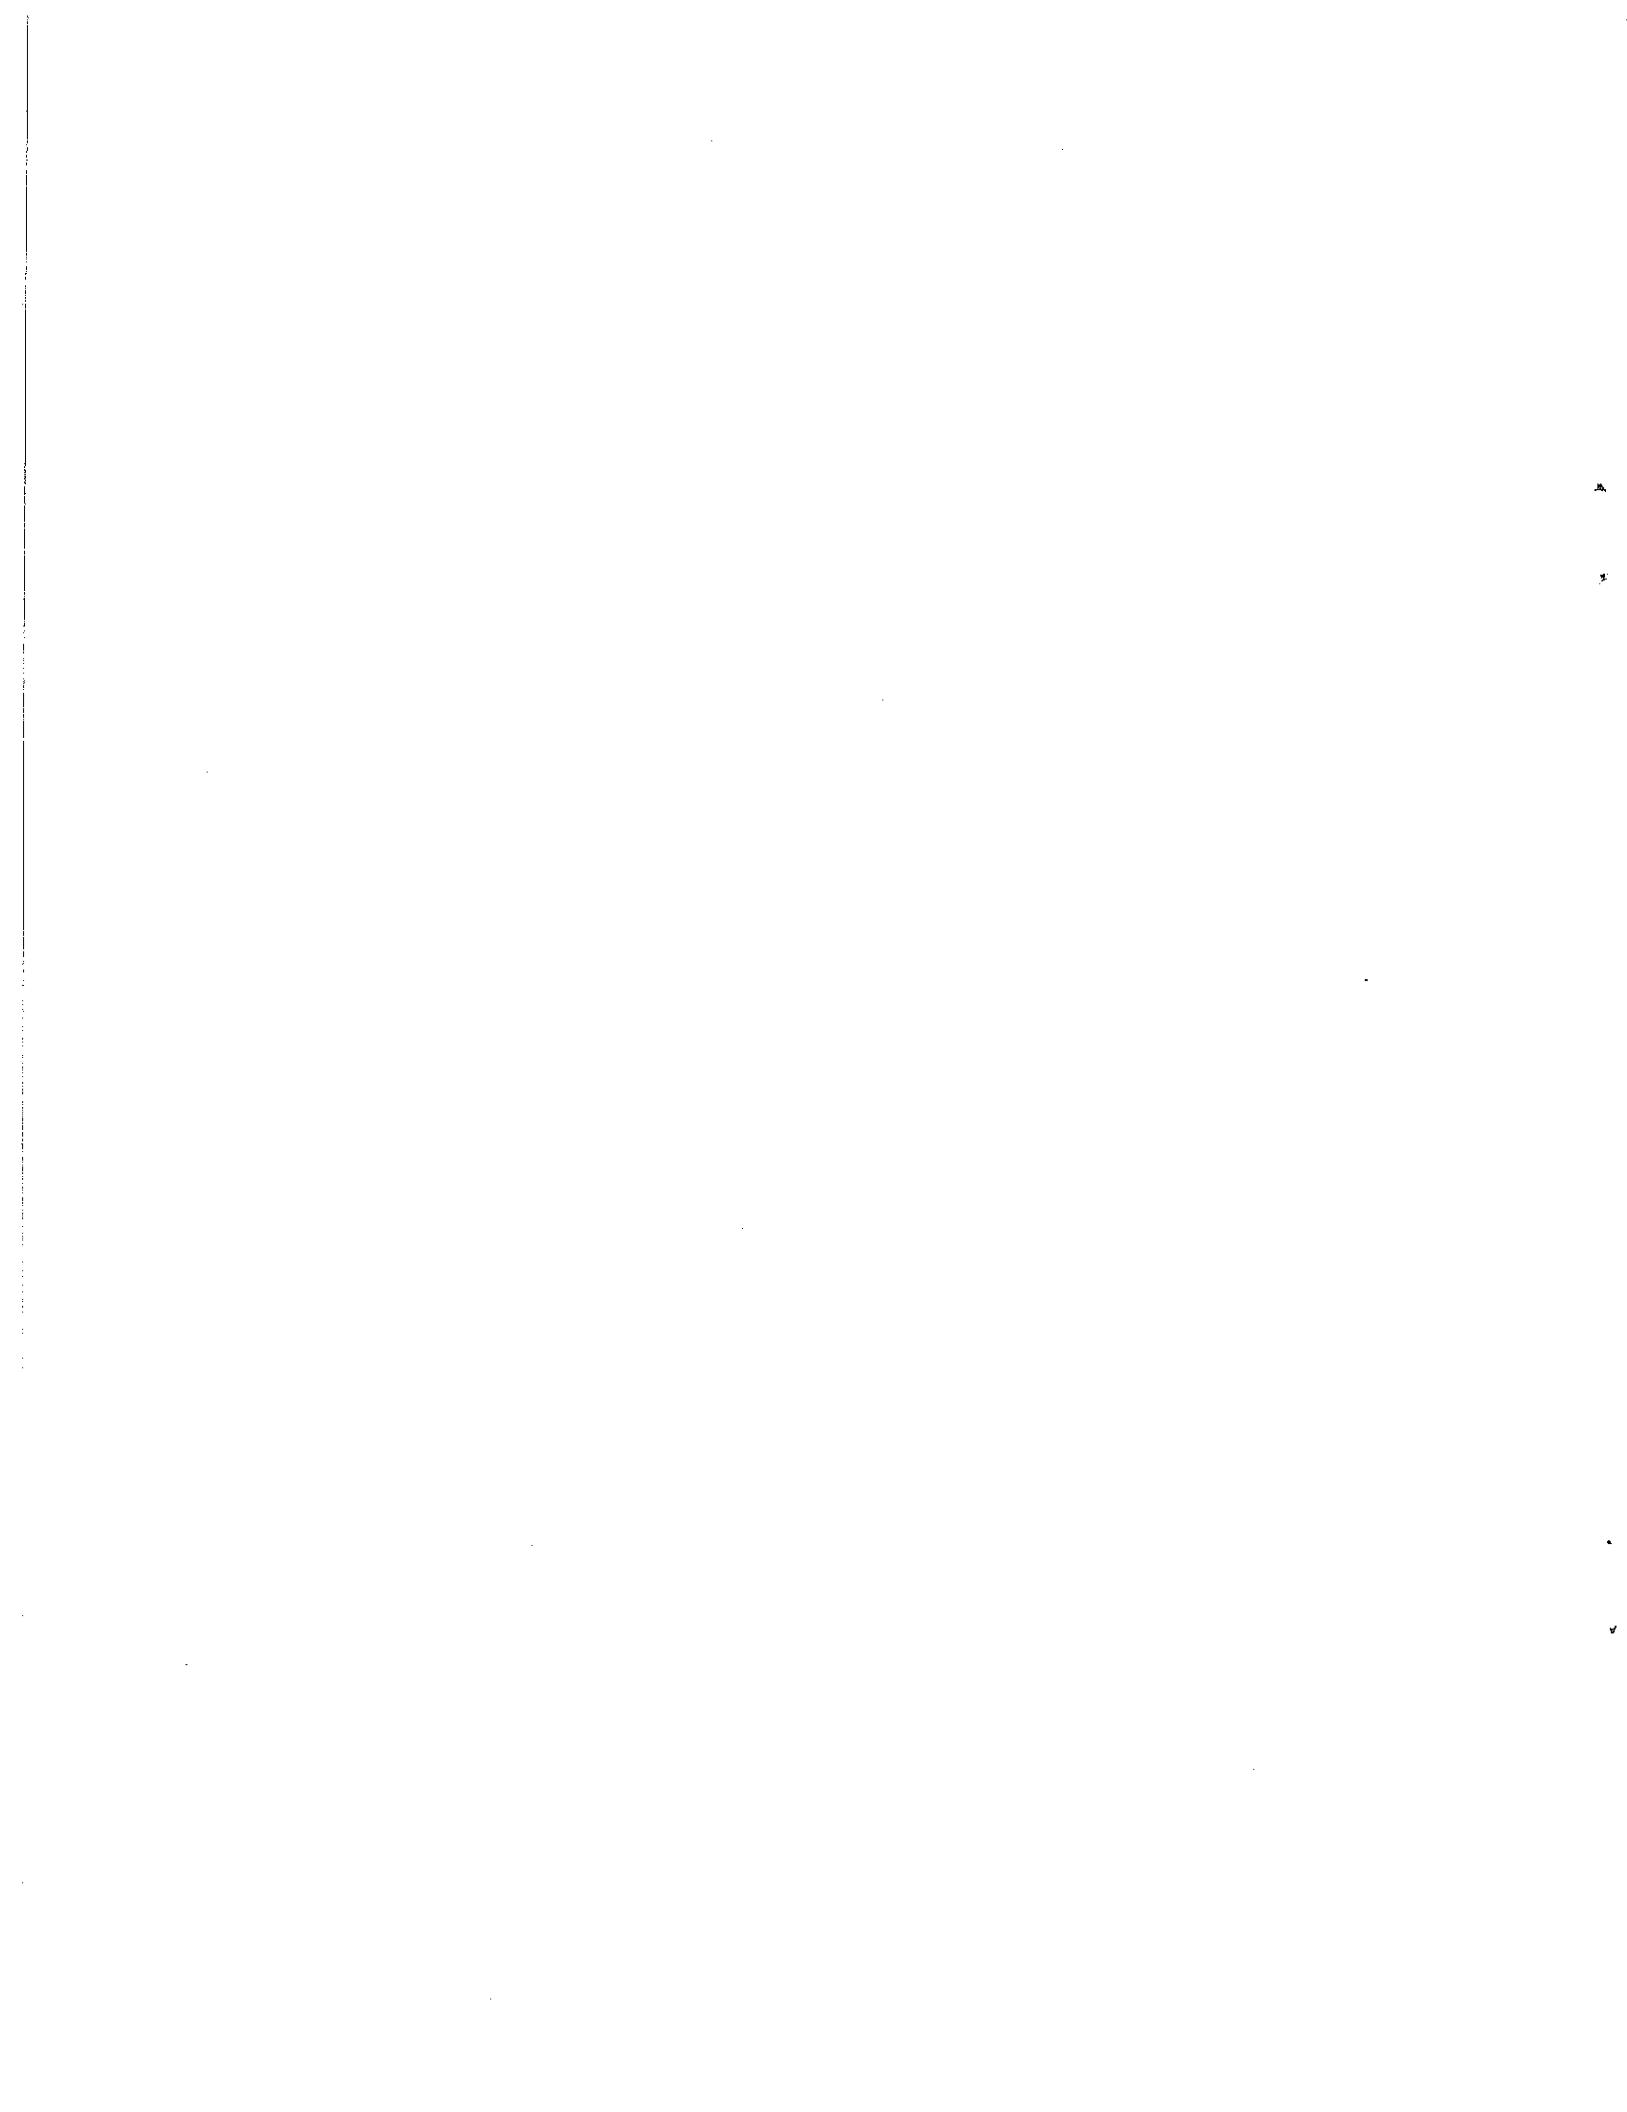

June 1997

SFWMD-HIST-005

**Hydrologic Reporting Unit
Resource Assessment Division
Water Resources Evaluation Department
South Florida Water Management District**

ACKNOWLEDGEMENTS

Many departments within the South Florida Water Management District contributed and continue to contribute to Remote Electronic Access (REMO): Water Resources Evaluation, Budget and Procurement, Office of Counsel, Enterprise Engineering and the Executive Office. A special thank you for the attention received from Michael Slayton, Trevor Campbell and Robb Startzman.

INTRODUCTION

In April of 1995, the South Florida Water Management District announced the availability of Remote Electronic Access (REMO) to the District's water quality and hydrometeorologic databases (Appendix I). REMO is a remote UNIX workstation dedicated to providing external data users with twenty-four hour, seven day a week access to water quality, hydrologic and meteorologic data stored in the District's corporate database (DBHYDRO). Through ongoing cooperative agreements with other agencies, DBHYDRO acts as a repository for historical water quality and hydrometeorologic data for the region covered by the District.

Before REMO, the only way the public could access water quality or hydrometeorologic data was through a formal request to either the Water Quality Monitoring or Hydrologic Data Management divisions within the Water Resources Evaluation Department (WRE). Depending on the amount of data requested, the data would have to be facsimiled, provided on hard copies (printouts), or on diskettes to the customer.

Since the introduction of REMO, approximately 1200 customers who had previously requested hydrometeorologic or water quality data were asked through a survey if they would be interested in remote access to the District's database (Appendix II). The survey included federal, state and local government agencies. To date, over 650 potential clients at approximately 325 addresses have been mailed REMO packages which include the following information:

- REMO contract, "Remote Electronic Access Agreement Between the South Florida Water Management District and Customer" (Appendix III),
- Manual to guide the user through access and retrieval of data, "User's Guide to REMO",
- DBHYDO database manual, "User's Guide to Accessing the South Florida Water Management District Hydrometeorologic and Water Quality Databases",

- Map of "South Florida Water Management District Structure and Canal Locations".

To date, 59 REMO contracts have been executed and more than 180 user ids/passwords have been issued (Appendix IV).

INTERNAL AND EXTERNAL DATA REQUESTS

The Hydrologic Reporting Unit, within the Resource Assessment Division of the Water Resources Evaluation Department, is responsible for fulfilling data requests related to hydrometeorologic and water quality data. In 1996, over 600 data requests were received and recorded as compared to 480 in 1995. Appendices V and VI list the types of customers and data requested in 1996 and 1995, respectively. These records help provide accurate estimates as to the growing number of client requests and any changes in the types of data being requested.

In 1995, 85 percent of recorded data requests were made by external clients as compared to 75 percent in 1996. This 10 percent decline in external data requests may be due to external customers acquiring District data on their own through Remote Electronic Access (REMO). Table I shows the diversity in the clients who request data from the District's database. Table II shows the types of data that were distributed in 1995 and 1996.

Table I. Client Types:

Client	Year	
	1995	1996
* Consulting/engineering firms	50 %	36 %
* Other government agencies	13 %	18 %
* Universities	6 %	16 %
* Other clients (including utilities, law firms, construction firms, societies, newspapers, etc.)	17 %	6 %
SFWMD (internal)	14 %	24 %

Note: * clients outside the District

Table II. Data Types:

Data Types	Year	
	1995	1996
Stage	30 %	26 %
Rain	34 %	26 %
Flow	19 %	16 %
Water Quality	N/A	15 %
Other types (including GIS maps, gate operations, evaporation, conductivity, publications, etc.)	17 %	17 %

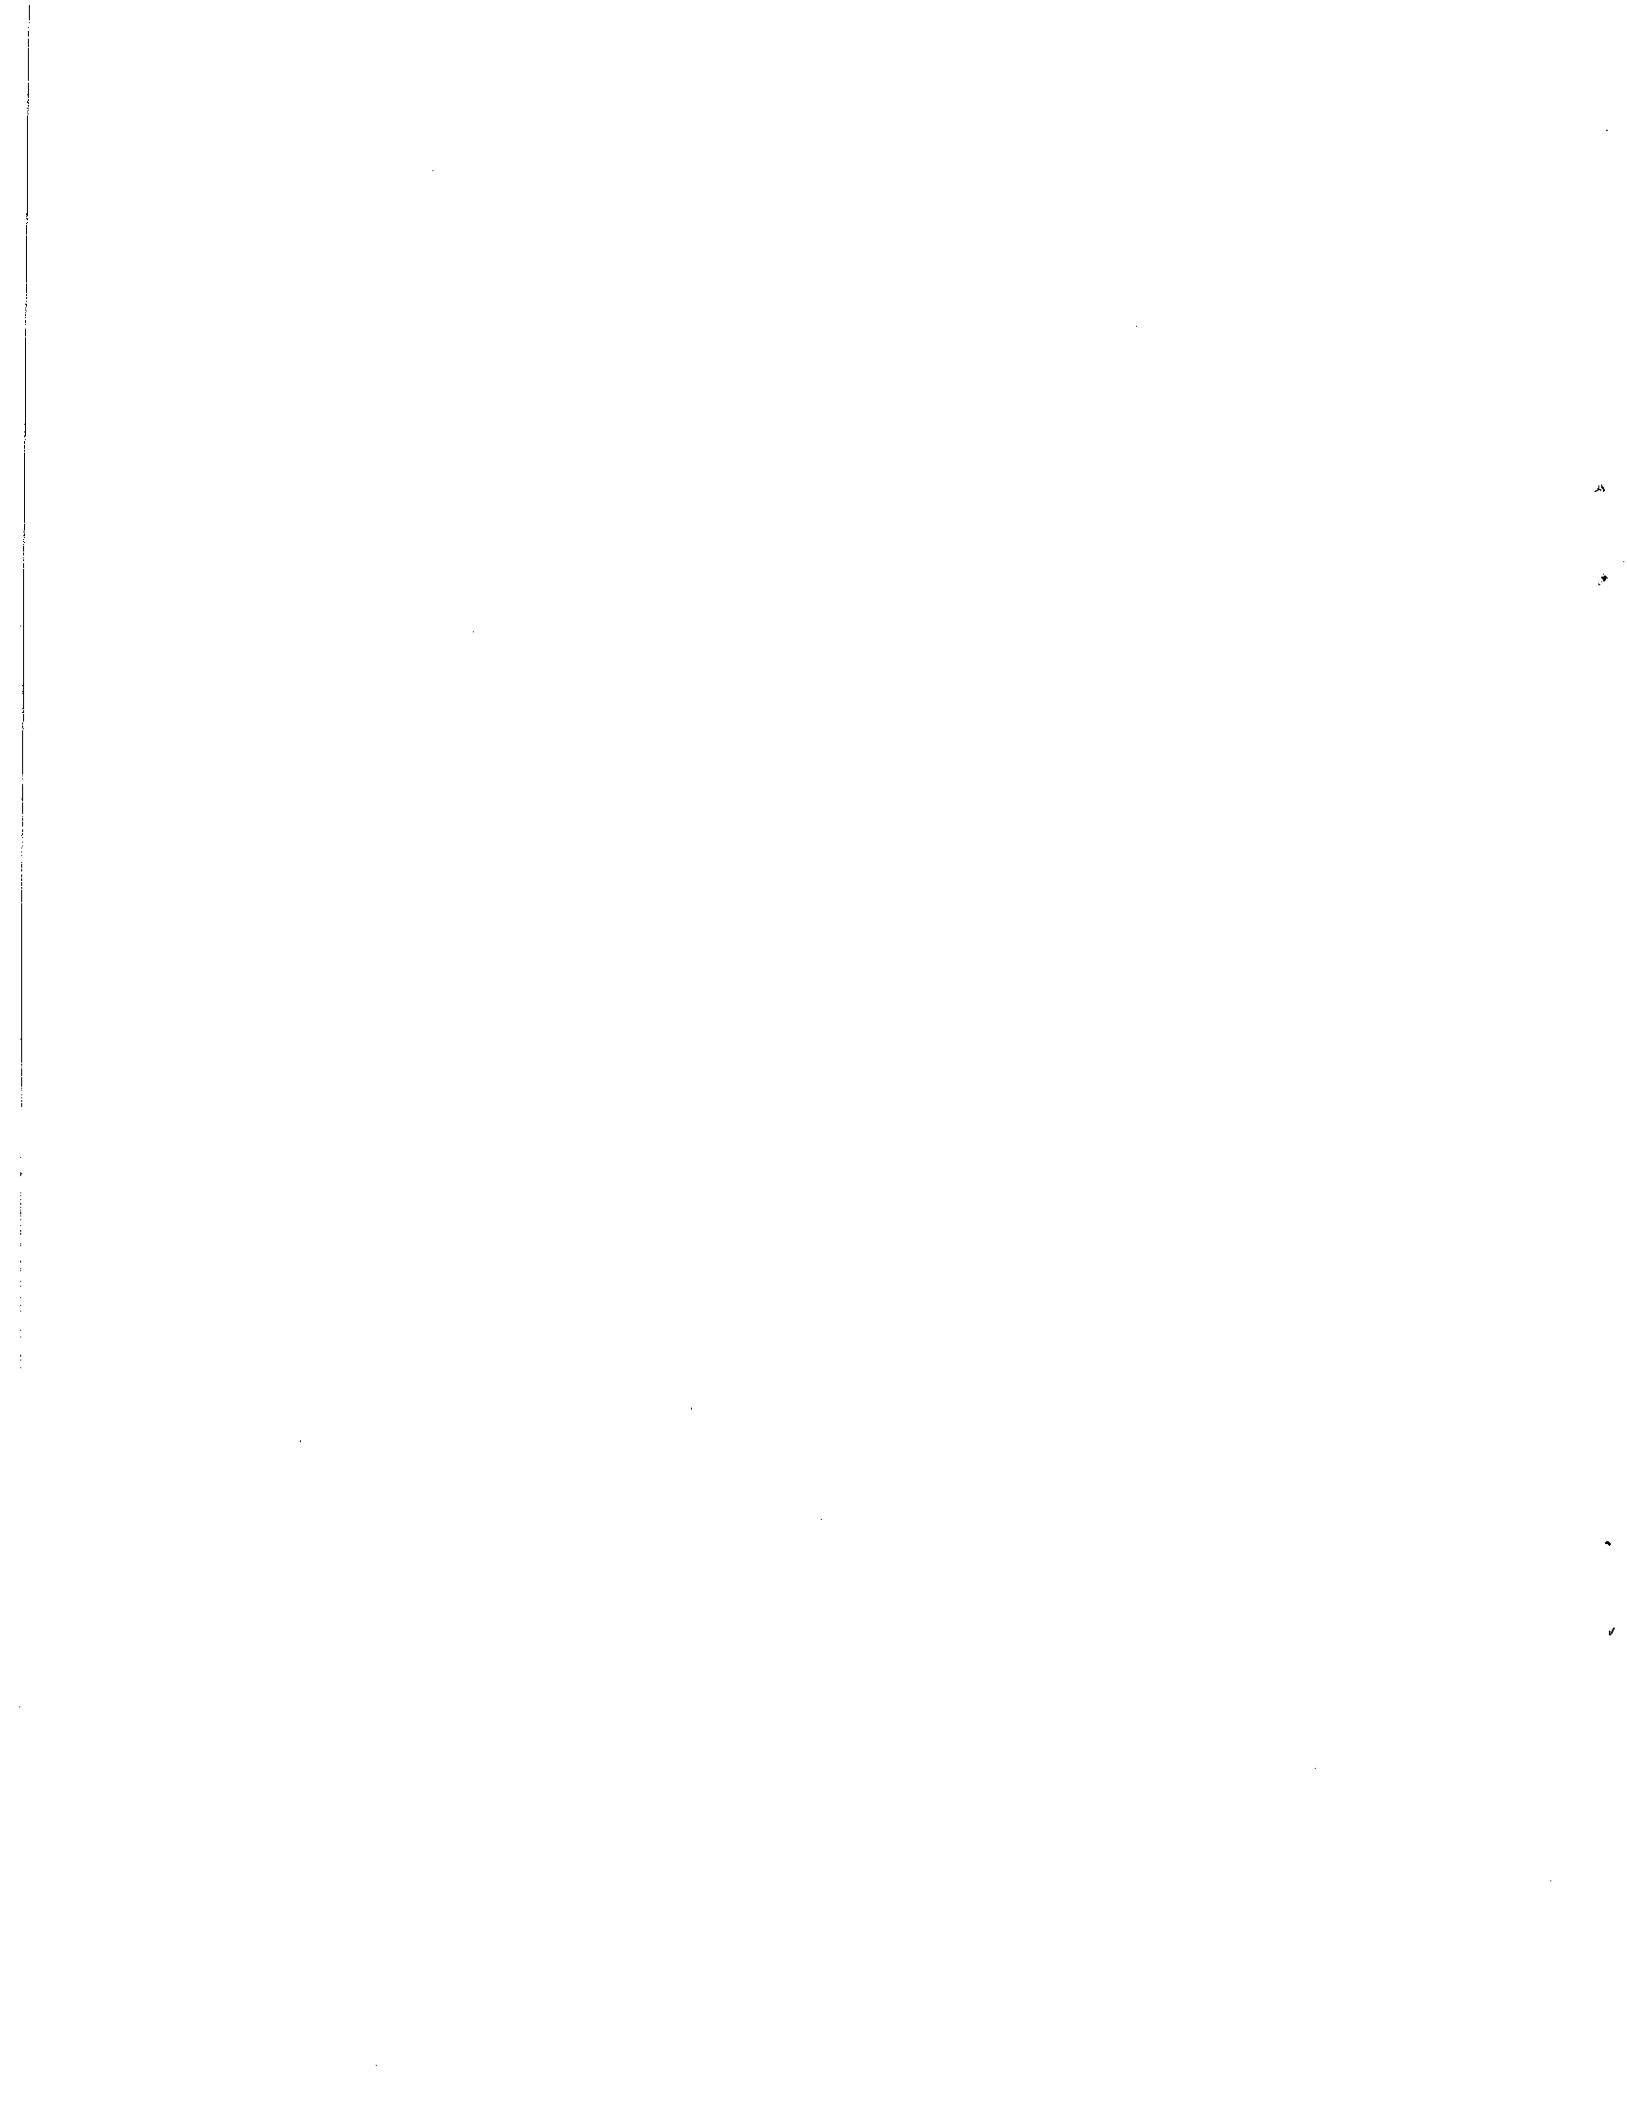

The 1995 and 1996 data distribution methods are summarized in Table III. Even with a 25 percent increase in data requests, more data were exchanged through electronic means than paper printouts. Only 140 diskettes were distributed in 1996 compared with over 180 diskettes in 1995.

Table III. Distribution methods:

Method	Year	
	1995	1996
Printouts	58 %	42 %
Diskettes	26 %	20 %
E-mail or FTP	10 %	28 %
FAX or phone	6 %	10 %

SUMMARY

The South Florida Water Management District is committed to making continued improvement to its data reporting services, whether through Remote Electronic Access or manual means. The District will continually make available to the public the large volumes of water quality and hydrometeorologic data required to conduct computations of nutrient loading, perform hydrologic modeling, and make water resource management decisions. The District also strives to make use of technology such as the Internet to enhance the exchange and quality of data and to provide it in a faster, more efficient and cost-effective manner.

Remote Electronic Access Users

SUBJECT: Public Notice of the Availability of Remote Electronic Access to District Water Quality and Hydrometeorologic Databases

The South Florida Water Management District is pleased to announce the availability of remote electronic access to the District's water quality and hydrometeorologic databases. This service is designed to provide the public with continuous access to select District databases twenty-four (24) hours a day, seven days a week, subject to system maintenance requirements. Technical support and comprehensive manuals are available to guide users through successful access and retrieval of desired data.

Florida's Public Records Law (Section 119.085,F.S.) authorizes the South Florida Water Management District to provide free online access to the District's water quality and hydrometeorologic databases to all remote electronic access users. While the law no longer requires the District to charge a fee, a subscription contract between the user and the District is still required.

Members of the public may obtain a copy of the subscription contract and additional information pertaining to electronic access to selected District databases by contacting the District's Water Quality and Hydrometeorological Customer Service Representative at (561)687-6514.

Sincerely,

A handwritten signature in black ink that reads "Michael Slayton".

DOES DIRECT ACCESS TO HYDROLOGIC AND WATER QUALITY DATA INTEREST YOU?

**DIRECT REMOTE ELECTRONIC ACCESS TO SFWMD
HYDROLOGIC AND WATER QUALITY DATABASES,
CURRENT 24-HOUR RAINFALL CONDITIONS AND
SYSTEM STORAGE REPORT IS NOW AVAILABLE!**

- Access to Database Via Modem and Internet*
- Data available 24 hours a day -7 days a week
- No Annual Fee
- Terms and Conditions Governed by Subscription Agreement
- At a minimum a terminal emulation capability supporting VT100, 1200-9600 Baud HAYES compatible modem.

* Subscriber experience may vary depending on speed of user's equipment

YES, I am interested in receiving more information about your remote access system and the subscription agreement terms and conditions.

NO, I am not interested in remote access because [check applicable box(es)]:

- I do not need large volumes of data
- I do not need data on a frequent basis
- I do not have the required equipment
- Other Reason: _____

**PLEASE COMPLETE AND RETURN SURVEY TO THE ADDRESS ON
REVERSE SIDE OF THIS FLYER.**

THANK YOU!

REMOTE ELECTRONIC ACCESS AGREEMENT
BETWEEN THE
SOUTH FLORIDA WATER MANAGEMENT DISTRICT
AND CUSTOMER

This AGREEMENT is entered into on _____, between "the Parties", the South Florida Water Management District, a public corporation of the State of Florida ("the **DISTRICT**") and _____, an individual or corporation ("the **CUSTOMER**"), with Social Security or Federal Identification Number _____.

WITNESSETH THAT:

WHEREAS, the **DISTRICT** is a public corporation of the State of Florida, created by the Florida Legislature and given those powers and responsibilities enumerated in Chapter 373, Florida Statutes to include entering into contracts with public agencies, private corporations or other persons; and

WHEREAS, the Florida Public Records Statute 119.085 specifically authorizes the **DISTRICT** to provide the general public with remote electronic access to information and data which can lawfully be disclosed as "public records"; and

WHEREAS, the **DISTRICT** wishes to provide and the **CUSTOMER** wishes to receive hydrometeorologic and water quality data by remote electronic means;

NOW THEREFORE, the **DISTRICT** and the **CUSTOMER**, in consideration of the mutual benefits flowing from each to the other, do hereby agree as follows:

1. SCOPE OF SERVICES

Through **CUSTOMER** owned and maintained equipment which must include, at a minimum, terminal emulation capability supporting VT100 and a 1200-9600 baud HAYES compatible modem, the **CUSTOMER** may dial either (407) 686-3576 or (407) 686-1553 to obtain remote electronic access to the **DISTRICT'S** hydrometeorologic and water quality database, including historical and current data which will be updated on a monthly basis. The **DISTRICT** will provide the **CUSTOMER** with one (1) copy of user documentation which will explain the menu options and may facilitate data retrieval. **CUSTOMER** shall be solely responsible for the operation and maintenance of equipment acquired by the **CUSTOMER** to access the **DISTRICT'S** database, including but not limited to hardware failure or technical difficulties associated with phone lines. **CUSTOMER** shall also ensure that such equipment operates compatibly with the **DISTRICT'S** remote electronic access system.

The **CUSTOMER** may obtain access to this information in the read-only mode twenty-four (24) hours per day, seven (7) days per week, with the exception of one day per month when the database is being updated, as long as phone lines are available and **DISTRICT** computer systems are operational. **CUSTOMER** is hereby advised that the system will not be accessible on the first Friday of every month and may continue to be inaccessible through the first Sunday of every month due to database updates. The system may also be down several times each year to perform software upgrades. The **DISTRICT** does not guarantee any minimum amount of time available for on-line access to the database and reserves the right to disconnect **CUSTOMER** after two (2) hours of continuous access or two (2) hours of idle time. The **CUSTOMER** shall fill in the information requested under Exhibit "A", attached hereto and made a part hereof, and forward a signed copy of this Exhibit along with

the executed **AGREEMENT** to the **DISTRICT**. The **DISTRICT** will provide the **CUSTOMER** with logon number(s) and password(s) for each designated user listed by **CUSTOMER** on Exhibit "A" which will enable each designed user to view the data in the original format established by the **DISTRICT'S** database. A "designated user" is hereby defined as a bona fide **CUSTOMER** employee listed on Exhibit "A" who is thereby authorized by **CUSTOMER** and the **DISTRICT** to access the database(s). **CUSTOMER** shall be solely responsible for the security of the logon(s) and password(s) assigned to the **CUSTOMER** by the **DISTRICT**. Each such logon and password shall not be transferrable to any third party without the prior written consent of the **DISTRICT**.

The remote electronic access system will not include the capability for modifying or altering information stored in the **DISTRICT'S** database. The **CUSTOMER** may also download this data onto its own computer for further use, subject to the provisions herein. It is, however, advisable for **CUSTOMER** to send large datasets containing information greater than fifty (50) station years to a disk file which will then be transferred, at **CUSTOMER'S** request, by the **DISTRICT** onto computer media selected by **CUSTOMER**. The data will then be sent to **CUSTOMER** following **DISTRICT** receipt of payment for the cost of the chosen media. **CUSTOMER** hereby authorizes the **DISTRICT** to delete data files that remain on the system for more than thirty (30) days.

2. CUSTOMER INSPECTION RIGHTS

The **CUSTOMER** hereby affirms that before entering into this **AGREEMENT**, the **DISTRICT** has afforded the **CUSTOMER** adequate opportunity to examine a sample of the remote electronic access service described herein to ascertain whether any deficiencies exist which would make this service unacceptable to the **CUSTOMER**, for any reason whatsoever. **CUSTOMER'S** failure to examine the services to which this **AGREEMENT** relates, shall constitute a waiver of the **CUSTOMER'S** right to inspection which shall be conclusive evidence that the **CUSTOMER** has sufficient understanding of the services described herein and that said services are satisfactory to **CUSTOMER**.

3. AGREEMENT TERM

The initial term of this **AGREEMENT** shall commence on the first day of the month of _____ 199____ and continue through September 30, 199_____. This **AGREEMENT** will be renewed automatically, absent any written notice of termination, for successive one year periods with such renewal periods commencing on October 1 of each calendar year and ending on September 30 of the following year (hereinafter referred to as the "contract year"). This **AGREEMENT** may be amended only by written approval of the parties.

4. CONSIDERATION AND PAYMENT

The **DISTRICT** is providing this service at no charge to **CUSTOMER** with the exception of media charges described in paragraph 1 above.

5. POINTS OF CONTACT AND NOTICES

For technical questions pertaining to the hydrometeorologic database, **CUSTOMER** may contact Angela Chong at (407) 687-6514. **CUSTOMER** may contact Guy Germain at (407) 681-2514 with technical questions pertaining to the water quality database. The **CUSTOMER** point of contact is: _____ and can be reached at: _____. **CUSTOMER'S** designated computer line number is _____.

All notices and written communications between the **CUSTOMER** and the **DISTRICT** shall reference the **AGREEMENT** number and be sent in writing by certified mail to the following addresses: (1) **DISTRICT**: South Florida Water Management District, Division of Procurement and Contract Administration, 3301 Gun Club Road, P.O. Box 24680, West Palm Beach, Florida 33416-4680. (2) **CUSTOMER**: _____

6. INDEMNIFICATION

The **CUSTOMER** shall defend, indemnify, save, and hold the **DISTRICT**, its agents, assigns, and employees, harmless from any and all claims or causes of action, including without limitation, all damages of any kind, losses, liabilities, expenses, costs, and attorney's fees arising out of, or contributed to, in whole or in part, by reasons of any alleged claims based on any negligent or intentional act or omission, professional error, fault, mistake, or the violation of any federal, state, or local law or regulation, by the **CUSTOMER**, its subcontractors, agents, assigns, invitees, or employees in connection with or incidental to performance under this **AGREEMENT** or to the use of information obtained from the system by the **CUSTOMER** under this **AGREEMENT**. The **CUSTOMER** further acknowledges that it is solely responsible for ensuring its compliance and the compliance of its subcontractors, agents, assigns, invitees and employees with the terms of this **AGREEMENT**.

7. EXPRESS DISCLAIMER

ANY INFORMATION, INCLUDING BUT NOT LIMITED TO DATA, RECEIVED FROM THE **DISTRICT** IN FULFILLMENT OF A PUBLIC RECORDS REQUEST IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, AND THE **DISTRICT** EXPRESSLY DISCLAIMS ALL EXPRESS AND IMPLIED WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE **DISTRICT** DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATIONS REGARDING THE USE, OR THE RESULTS OF THE USE, OF THE INFORMATION PROVIDED TO **CUSTOMER** BY THE **DISTRICT** IN TERMS OF CORRECTNESS, ACCURACY, RELIABILITY, COMPLETENESS, TIMELINESS OR OTHERWISE. THE **DISTRICT** SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL LOSSES, COSTS, DAMAGES OR EXPENSES CAUSED OR INCURRED BY THE **CUSTOMER** IN CONNECTION WITH THIS **AGREEMENT** OR ANY AMENDMENTS THERETO, INCLUDING BUT NOT LIMITED TO DAMAGES RESULTING FROM **CUSTOMER** USE OR APPLICATION OF THE INFORMATION ACCESSED HEREUNDER. THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF ANY INFORMATION OBTAINED FROM THE **DISTRICT** IS ENTIRELY ASSUMED BY THE **CUSTOMER**.

THE **DISTRICT** SHALL NOT BE RESPONSIBLE FOR, NOR LIABLE FOR, ANY DAMAGES OR LOSSES SUSTAINED BY THE **CUSTOMER** DUE TO TECHNICAL DIFFICULTIES ASSOCIATED WITH THE MEANS OF ELECTRONIC ACCESS PROVIDED HEREIN, INCLUDING BUT NOT LIMITED TO, DISCONNECTIONS OR INTERRUPTIONS, WHICH PREVENT THE **CUSTOMER'S** ACCESS TO THE SYSTEM, SYSTEM ERROR(S), OR ANY OTHER REASON DIRECTLY OR INDIRECTLY ARISING FROM THE **CUSTOMER'S** USE OR INABILITY TO ACCESS THE **DISTRICT'S** COMPUTER DATA BASE FILES.

8. TERMINATION; REMEDIES

The **CUSTOMER** may terminate this **AGREEMENT** for convenience by providing advance written notice prior to September 15 in any contract year and such termination shall be effective on October 1 of the subsequent contract year. The **DISTRICT** may terminate this **AGREEMENT** for convenience by providing thirty (30) days advance written notice to **CUSTOMER**.

If either party fails to fulfill its obligations under this **AGREEMENT** in a timely and proper manner, the other party shall have the right to terminate this **AGREEMENT** by giving written notice of any deficiency. The party in default shall then have ten (10) calendar days from receipt of notice to correct the deficiency. If the defaulting party fails to correct the deficiency within this time, this **AGREEMENT** shall terminate at the expiration of the ten (10) day time period.

9. APPLICABLE LAW

The laws of the State of Florida shall govern all aspects of this **AGREEMENT**. In the event it is necessary for either party to initiate legal action regarding this **AGREEMENT**, venue shall be in the Fifteenth Judicial Circuit for claims under state law and in the Southern District of Florida for any claims which are justiciable in federal court.

10. INDEPENDENT CONTRACTOR

The **CUSTOMER** is an independent contractor and is not an employee or agent of the **DISTRICT**. Nothing in this **AGREEMENT** shall be interpreted to establish any relationship other than that of an independent contractor, between the **DISTRICT** and the **CUSTOMER**, its employees, agents, subcontractors, or assigns, during or after the performance of this **AGREEMENT**. The **CUSTOMER** is free to provide similar services for others.

11. ASSIGNMENT

The **CUSTOMER** shall not assign, delegate, or otherwise transfer its rights and obligations as set forth in this **AGREEMENT** without the prior written consent of the **DISTRICT**. Any attempted assignment in violation of this provision shall be void.

12. FORCE MAJEURE

Notwithstanding any provisions of this **AGREEMENT** to the contrary, the parties shall not be held liable for any failure or delay in the performance of this **AGREEMENT** that arises from fires, floods, strikes, embargoes, acts of the public enemy, unusually severe weather, outbreak of war, restraint of Government, riots, civil commotion, force majeure, act of God, or for any other cause of the same character which is unavoidable through the exercise of due care and beyond the control of the parties. Failure to perform shall be excused during the continuance of such circumstances, but this **AGREEMENT** shall otherwise remain in effect.

13. ENTIRE UNDERSTANDING

This **AGREEMENT** states the entire understanding and agreement between the parties and supersedes any and all written or oral representations, statements, negotiations, or agreements previously existing between the parties with respect to the subject matter of this **AGREEMENT**. The **CUSTOMER** recognizes that any representations, statements or negotiations made by **DISTRICT** staff do not suffice to legally bind the **DISTRICT** in a contractual relationship unless they have been reduced to writing and signed by an authorized **DISTRICT** representative. This **AGREEMENT** shall inure to the benefit of and shall be binding upon the parties, their respective assigns, and successors in interest.
